COMPETITION FRICTION SPECIALISTS

FOREWORD & VALUES

Welcome to the 2026 season of the Mini Rally Challenge Championship, and the sixth year of our growing one make championship. For 2026, we remain dedicated to bringing a fun and cost efficient form of rallying to the masses, and hope with some small improvements on 2025, we have something for everyone with in the championship irrespective of your budget.

Designed to provide a level playing field, where cars are built and run to an exact set of rules. Regardless of your age or bank balance, the winners will be the team with the best skill set, the most reliable car, and as always in rallying, a bit of luck!

Our values are the bedrock of the Championship and are referred to in all we do. They can be summarised as –

1. **Accessibility** – rallying made possible. We believe motorsport should be for everyone. The Mini Rally Challenge is affordable, beginner-friendly and welcoming – no barriers, just opportunities.
2. **Competitive Spirit** – driven by talent, not budgets. We champion close, hard-fought rallying where skill, strategy and teamwork come first. Everyone has a real shot at the podium.
3. **Community** – more than a rally – it's a family. From newcomers to rally regulars, we look out for each other. Our service parks are places of support, encouragement and shared passion.
4. **Fairness** – same rules, same chances. With clear regulation, controlled costs and consistent scrutiny, we keep things fair. Close competition starts with a level playing field.

It you want to understand why something is the way it is, it is most likely aligned with the values.

Within these regulations, if it doesn't say you CAN do it, then you CANNOT.

These Regulations state what parts you may, or must fit, and if only those parts will be accepted. Everything else must be as per Original Equipment (OE) Mini factory build.

We would like to thank all our supporters, sponsors, Motorsport UK, ANWCC, Scrutineers, marshals and the numerous other people without whom motorsport and our Championship could not take place. Thank you!
